

A part of the Oregon Green and Solar Tours coordinated by Solar Oregon. www.solaroregon.org/tours.

Solar & Green Building Tour

Mark your calendars! See exciting new trends in construction and home renovation including Eugene's first LEED platinum projects.

Sunday, October 4th, 11- 4 p.m.

Eugene Water and Electric Board
500 E 4th Avenue

To register, email solartour@eweb.org

Gain valuable information, insights, and inspirations that can be applied to your own new construction or remodel project. Meet at EWEB for a kick-off presentation with Mayor Kitty Piercy and a preview of an innovative solar/electric vehicle parking project.

Maps and routes will be provided for a self-guided tour of new, remodel, residential in-fill and mixed use development projects that feature solar technologies, energy and water efficiency, green landscaping features, and other tools for more sustainable living.

A reception at La Perla pizzeria will be held at the end of the tour. Carpooling and biking are encouraged. Space is limited so please email solartour@eweb.org to register.

Second unit, Alec Dakers
