# WALKING Each Other HOME

A DIVERSITY CONVERSATION WITH LEE MUN WAH

*So often we are afraid to begin a conversation on diversity issues because we have had a bad experience or feel we will say something wrong or hurtful. This workshop is particularly exciting and satisfying because it allows everyone to practice talking to someone who is different from them in a compassionate and honest way. Participants will learn that they are not alone in their fears and that all of us lack a "model" of how to begin this type of conversation. The most important ingredient is our sincerity and our willingness to learn and understand each other.*
