HVAC Technicians/Installers

Lou Long: (541) 279-1543

Sheet Metal Workers

Carpenters

Tim Mosterdyke: (503) 256-7300

Getting Started...

1. Contact the committee coordinator for the trade you are interested in (listed above).
2. Visit Lane's Apprenticeship website www.lanecc.edu/apprenticeship and click on Useful Links to find links such as: Bureau of Labor & Industries website, Oregon Department of Employment website, etc. and check for current openings.
3. Compile application portfolio. You can acquire points toward application process by having documentation of the following:
 - High school diploma (2.0 GPA) or GED (GED score of 255/2300)
 - Valid driver's license
 - B.S. or A.S. degree (technical)
 - Public service (Peace Corps, Vista, National Guard, Reserves)
 - Military service (Active Duty, Army, Navy, Air Force, Marines, Coast Guard)
 - Educational background (high school or college level): Algebra I & II, Industrial Arts classes
 - Prior experience
4. Enroll in college classes to obtain more points depending on your program focus:

- Trade Skills Fundamentals	- Electronics	- Welding
- Residential Wiring	- Blueprint Reading	- CPR/First Aid
- Plumbing Trade Introduction	- Basic Algebra (70)	- Computer
- Construction classes	- Geometry	- Drafting/CAD
- Electrical Theory	- Trigonometry	
5. Continue to contact committee coordinator to check your placement for selection.
