

KEYS TO SUCCESS IN COLLEGE

■ Wisdom

- Use your resources (Disability Resources, Tutoring, TRIO, Counseling/Advising, etc.)
- Plan ahead.
- Choose classes wisely to fit your needs/interests.
- Set boundaries around study time.

■ Engagement

- Show up and participate in class.
- Do the reading and homework.
- Ask questions to clarify any information you don't understand.
- Meet with instructors during office hours to discuss questions, accommodation needs.
- Study with a buddy or in a small group.

■ Follow Through

- Know what is expected of you and when.
- Plan ahead! Make time to study.
- Review your notes shortly after class in order to remember key information.
- Do your homework and turn it in on time.
