2011 - 2012
CHILD CARE/DEPENDENT CARE EXPENSES

Student Name: _____ Student #: L _____

SUBMIT this request if you will pay child care or dependent care (*not child support*) in order to attend college during the 2011-2012 school year. We will add this additional expense to your student budget. An increase to your budget may increase your student loan eligibility up to the annual limits set by the Department of Education. If you have eligibility for increased awards, your awards will reflect this expense.

DO NOT SUBMIT this request if you will not pay child care or dependent care expenses; or if you will receive assistance from an agency for this expense (e.g. AFS, Child Care Block Grant, etc.). You are not required to complete this form, and processing of your aid will continue without it.

Instructions: List only the children and/or dependents for which you will be paying this expense. In addition, indicate whether your child's other parent will be attending Lane during the 2011-2012 school year.
