

Oral Health, Total Health

Dental Benefits Protect More Than Your Smile

Did you know that visiting your dentist on a regular basis and keeping your mouth healthy is critical to keeping the rest of your body healthy?

Through our **Oral Health, Total Health** program, ODS, in partnership with OEA Choice Trust, offers additional oral health benefits to individuals diagnosed with diabetes and pregnant women in their third trimester.

For details on the **Oral Health, Total Health** program, refer to your dental member handbook or visit us online.

Enrolling in the ODS **Oral Health, Total Health**

program is *easy*. Call
ODS dental customer service
at **1-800-452-1058**
to enroll, or complete an
enrollment form online at
www.oechoice.com.

For more information on useful health resources, visit **myChoice** at www.oechoice.com.
