Moodle Introduction
Presenters: Michael Levick and Meredith Keene-Wilson
Whether you teach traditional, hybrid, or fully-online courses, here's a chance to try out a very flexible online course space. Moodle offers numerous options for setting up a class, including discussions, transferring files, announcements, grading, posting syllabi and assignments online, creating links to other Web sites, and even setting up Web pages and wikis! This hands-on workshop will introduce participants to the Moodle software system. For new Moodle users.
Registration required: email atc@lanecc.edu

12:00 – 4:00, 19/249
Moodle Open Lab
This open lab is for those already using Moodle who need help with specific Moodle features. The ATC support team, including the Faculty Webmasters, will be available for one-on-one assistance. Drop by to ask a question, or stay all session long to work on your lesson with coaching support.
No registration required.
