What are your academic and occupational goals for studying in the United States?

Please read the following and sign below:

I have read and agree to the Homestay Agreement. I agree to live with my host family for at least one full term. This length of time gives me a chance to develop a relationship with my host family. If I have problems or questions regarding my homestay, I will discuss them first with my host family; and then, if necessary, I will talk to the International Student Services' advisor at Lane Community College.

When I choose to move out from my homestay, I understand I need to give a 30-day notice to my host family. I have enclosed the \$75 application fee.
