

PHOTOGRAPH RELEASE NOTICE

Pictures of Child Care Enhancement Program (CCEP) participants, adult workers, parents and children are taken occasionally for power point presentations for awareness of this grant, provider portfolios and use within the program.

Most pictures are of the site and improvements made to the site. Children love their picture taken and often want to be in the photo, or group activities are going on in the area being photographed. No children's names will be used or gathered for any of our projects.

This photo release is not event or time specific, rather it shall serve as a general release for all photos taken at this child care site.

If you do not want your child in a picture please let your provider know or you can write a note to me with the site name and child's name; then I can have the child in a different area while I'm taking pictures.

❖ Providers, please have all families sign a general photograph form.

Thank You,
