## Questions and Answers

*How is the initiative linked to the Unit Plans most recently submitted?*

1. *How does it continue the achievement of those goals?*
2. *If this is a continuation of an initiative started last year, make sure that relationship is clear.*

*How is this initiative linked to the efficiencies and productivities plans you had last year?*

1. *How does it continue the achievement of these plans?*
2. *If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.*

This initiative was submitted last year. Students will gain industry specified skills which lead to higher paying employment. This allows continued use of the software by students and faculty. The program needs to maintain its existing learning environment. This is mandatory software for the program to continue operations and offerings to students.
