Health Professions 2008-09 Initiative: Continuation of revision of nursing curriculum to meet OCNE requirements.

Summary:

The three second year theory and three second year clinical nursing courses need to be revised to meet the OCNE requirements.

Description:

The revision of the final three theory and three clinical courses in the nursing curriculum will complete the curriculum revision for the nursing program to meet OCNE requirements. This is a mandated activity resulting from Lane's agreement to join with the statewide OCNE nursing curriculum.

Strategic Direction

- Build organizational capacity and systems to support student success and effective operations.
- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.

Learning Plan Goals

- Address the need for direct student support from faculty and staff as a crucial element of the learning environment
- Curriculum enhancement.
- Increase support for innovation in instruction.

Student Affairs Plan Goals

College Council Priorities

- 1.c. Enrollment Management: Workforce Development
- 1.f. Enrollment Management: Partnerships with 4-year Colleges and Universities
- 4.2 Responding to unit plans/council plans: Curriculum Development

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

1. *How does it continue the achievement of those goals?*
2. *If this is a continuation of an initiative started last year, make sure that relationship is clear.*

How is this initiative linked to the efficiencies and productivities plans you had last year?

1. *How does it continue the achievement of these plans?*
2. *If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.*

This initiative is the completion of the OCNE Curriculum.
The Initiation of the OCNE curriculum began three years ago; the curriculum for the first year of the program was revised last summer and is being implemented in the current academic year. The curriculum for the second year for which this curriculum funding is being requested will be implemented in the 08-09 academic year.

Describe the resources needed:

300 hours of curriculum development funding is needed for the complete revision of Nur 206A and B, Advanced Nursing I, Nur 207A and B, Advanced Nursing II, and 209A and B, Advanced Nursing III. This essentially includes the entire second year of the nursing curriculum.

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

There are ten competencies which are the outcomes of both of the first two years of the OCNE curriculum. These competencies include:
1. personal and professional actions are based on a set of shared core nursing values.
2. insights are developed through reflection self-analysis, and self care.
3. Ongoing self-directed learning is engaged in.
4. Leadership in nursing and health care is demonstrated.
5. the nurse collaborates as a part of a health care team.
6. the nurse practices within, utilizes and contributes to a broader health care system.
7. Relationship-centered care is practiced.
8. the nurse communicates effectively.
9. the competent nurse makes sound clinical judgments.
10. in making practice decisions, the nurse locates, evaluates and uses the best available evidence.

Unit Resources:

The second year nursing faculty teaching team comprises the human resources available within the division for this initiative. The financial resources needed do not exist within the division. For this reason the division is se3eking curriculum development funds.

Carl Perkins Funding Request

Is this a Career & Technical Education program approved by the state and offered through Lane for credit?

Yes

If not a Career & Technical Education program, does your request provide considerable support for students enrolled in these programs?

No

Do you have an advisory committee that meets 2-3 times per year?

Yes

If request is for personnel, will funds be used to replace an existing position?

Question Not Answered

How will funding this initiative increase or sustain the academic achievement and technical skills attainment (GPA of 2.0 or better) of Career and Technical Education students?

This initiative will sustain the academic achievement and technical skills attainment of the students enrolled in the nursing program by replacing the current second year courses with the courses required by the OCNE Curriculum.

How will funding this initiative increase or sustain the number of CTE students that graduate or receive a one year certificate from Lane and help prepare the students for employment?

The nursing program no longer offers the option for students to take the NCLEX-LPN at the end of the first year of the program. The one year certificate is no longer available.
