

In partnership with Lane ESD, work sessions were held in three career technical fields: Early Childhood Education, Drafting, and Health Occupations. (Nursing, Medical Office Assistant, and Health Records Technology). High school teachers, representing Lane County's 22 high schools, and Lane faculty and staff met to better align the high school programs with Lane's career technical programs.

### **Strategic Direction**

- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.

### **Learning Plan Goals**

- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.
- Support connected learning through inter-disciplinary and collaborative learning strategies.
- Curriculum enhancement.

### **Student Affairs Plan Goals**

- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.

### **College Council Priorities**

- 1.e. Enrollment Management: Increase Credit Enrollment Level
- 1.a. Enrollment Management: K-12
