

Auto Body & Paint Technology:

Computerized lab equipment was updated from D.O.S. based programs to a Windows based program. This enhancement gave the students the state of the art, current industry system to learn. This \$8,372 expense was covered by the Tech fee.

Purchased new Solvent Recycler funded by Carl Perkins. This expense was \$4,500. Recycling solvent on-site will help shops reduce regulatory requirements and future liability, and save money. This item will save the college approximately \$3,000 a year.

Strategic Direction

- Build organizational capacity and systems to support student success and effective operations.
- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.

Learning Plan Goals

Student Affairs Plan Goals

- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.
- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.
