

Drafting:

The Drafting Program was awarded curriculum development funds for a Landscape Technology mini certificate. This program ran successfully in both spring and summer terms.

The Drafting program was able to renew 30 AutoCAD licenses and upgrade to the AutoCAD 2009. This installation occurred in Drafting Lab 206 and 208. This program upgrade gave the students the latest technology to enhance their learning experience and increase employability skills. The Technology Fee allocated \$12,000 to fund this project.

Strategic Direction

- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.

Learning Plan Goals

- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.
- Facilitate more integrated and connected educational opportunities.
- Curriculum enhancement.

Student Affairs Plan Goals

- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.

College Council Priorities

- 1.e. Enrollment Management: Increase Credit Enrollment Level
- 1.c. Enrollment Management: Workforce Development
