

Electronics Technology:

With the retirement and non-replacement of one full time faculty, an entire redesign of the program was necessary. They chose to incorporate some redesigned classes that fit the emerging needs of the Apprenticeship Program. The success of this strategy continues to challenge the ability to cope with a higher enrollment and fewer instructional resources.

Strategic Direction

- Build organizational capacity and systems to support student success and effective operations.
- Create a diverse and inclusive learning college: develop institutional capacity to respond effectively and respectfully to students, staff, and community members of all cultures, languages, classes, races, genders, ethnic backgrounds, religions, sexual orientations, and abilities.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.

Learning Plan Goals

- Support connected learning through inter-disciplinary and collaborative learning strategies.
- Curriculum enhancement.
- Address the need for direct student support from faculty and staff as a crucial element of the learning environment

Student Affairs Plan Goals

- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.
- Enhance the Lane workforce to best promote student success.
- Enhance Recruitment Efforts.

College Council Priorities

- 3. Efficiencies
- 1.e. Enrollment Management: Increase Credit Enrollment Level
- 1.c. Enrollment Management: Workforce Development
