

Initiative Report for Cont Ed 2009-10

Expand Fashion Design

Summary:

Enrollment in Fashion Design is constrained by the room size at the Downtown Center. Find a larger room and set up additional sewing and pattern stations.

Description

The new Fashion Design classes are in a room that only allows for 10 sewing machines. If we can move the classes to a larger room and obtain additional sewing machines we will be able to allow higher enrollment in the classes.

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

- 1. How does it continue the achievement of those goals?**
- 2. If this is a continuation of an initiative started last year, make sure that relationship is clear.**

How is this initiative linked to the efficiencies and productivities plans you had last year?

- 1. How does it continue the achievement of these plans?**
- 2. If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.**

This is a new initiative this year.

Describe the resources needed:

Larger room, additional sewing machines, pattern tables, changing area.

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

Higher enrollment in existing class sequences.

Department Priority:

Unit Resources:

We are looking for donations but will use Continuing Education ICP money to purchase additional sewing machines and pattern tables.
