

## Instructional Innovation:

Business and CIT both excel in developing the pedagogy of teaching online, though intensive use of Moodle, new video technologies, web conferencing. These innovations have been used to enable teaching of classes that otherwise couldn't be offered, and as a tool to support development of fte, cooperative learning principles, interactive online instruction, group online instruction, more regular course scheduling, hybrid course offerings,

## Strategic Direction

- Build organizational capacity and systems to support student success and effective operations.
