

#### Apprenticeship:

Successfully contributed to the development of three statewide career pathways for Apprenticeship and applied for and received permission from the State Board of Education to grant a two year degree and a one year certificate of completion for the Electrical Apprenticeship program.

Increased FTE in pre-apprenticeship courses including Residential Wiring, Plumbing Trade Fundamentals, and Trade Skills Fundamentals.

Received donations of Motor Controls lab equipment from Cutler Hammer and Platt Electric

Developed partnership with Electronics Technology program to facility co-enrollment of apprenticeship and electronics students thus optimizing resources.

### **Strategic Direction**

- Build organizational capacity and systems to support student success and effective operations.
- Achieve and sustain fiscal stability.

### **Learning Plan Goals**

- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.
- Enhance student transitions at all levels.
- Curriculum enhancement.

### **Student Affairs Plan Goals**

- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.
- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.

### **College Council Priorities**

- 3. Efficiencies
- 1.c. Enrollment Management: Workforce Development
- 1.a. Enrollment Management: K-12
