

Initiative Report for Coop Ed 2009-10

Part Time Faculty Backfill for Electronic/Apprenticeship Program Courses

Summary:

This initiative requests three terms of .336 part-time faculty to back fill electronic technology courses no longer taught by the designated Apprenticeship Faculty Lead. The Apprenticeship Lead Faculty is needed to meet accreditation requirements per Northwest Accreditation standards.

Description

Apprenticeship is undergoing a conversion from non-credit to credit. According to Northwest Accreditation standards, all AAS degree programs must have a lead faculty assigned to oversee program and curriculum development. This initiative requests three terms of .336 part-time faculty to back fill electronic technology courses no longer taught by the designated Apprenticeship Faculty Lead.

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

- 1. How does it continue the achievement of those goals?**
- 2. If this is a continuation of an initiative started last year, make sure that relationship is clear.**

How is this initiative linked to the efficiencies and productivities plans you had last year?

- 1. How does it continue the achievement of these plans?**
- 2. If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.**

Since the non-credit to credit conversion began in 2007, this initiative represents a continuation of previous goals.

Describe the resources needed:

Requesting \$25,000 (includes OPE) from Perkins for part time faculty funds to back fill for teaching electronic courses not being taught by lead faculty.

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

Apprenticeship will be able to meet Northwest Accreditation Standards for the conversion to an AAS degree.

Department Priority:

4

Unit Resources:

There are no unit resources available for this initiative.

Funding Request: Carl Perkins

Is this a Career & Technical Education program approved by the state and offered through Lane for credit?

Yes

If not a Career & Technical Education program, does your request provide considerable support for students enrolled in these programs?

No

Do you have an advisory committee that meets 2-3 times per year?

Yes

If request is for personnel, will funds be used to replace an existing position?

no

How will funding this initiative increase or sustain the academic achievement and technical skills attainment (GPA of 2.0 or better) of Career and Technical Education students?

In a constantly changing curriculum, it is the duty of the Lead faculty to revise courses so help assure the academic success and technical skill attainment of the student. Backfill for the electronic technology courses, ensures that Lane meets Northwest Accreditation Standards.

How will funding this initiative increase or sustain the number of CTE students that graduate or receive a one year certificate from Lane and help prepare the students for employment?

By meeting accreditation standards, Apprenticeship will be in a position to offer new AAS degrees and certificates.
