

Interdisciplinary collaboration between nursing and respiratory care in the teaching of Code Simulation training.

Strategic Direction

- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
- Build organizational capacity and systems to support student success and effective operations.

Learning Plan Goals

- Increase support for innovation in instruction.
- Support connected learning through inter-disciplinary and collaborative learning strategies.

Student Affairs Plan Goals

- Commit to a culture of routinely assessing programs, services, and learning to encourage continuous quality improvement.
- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.

College Council Priorities

- 3. Efficiencies
- 4.1 Responding to unit plans/council plans: Innovation
