

Dental Hygiene and Dental Assisting students are participating in a clinic being held on campus which provides services to HIV and other special populations who would, otherwise, not receive health care. This is being done as a component of the curricula of both programs.

### **Strategic Direction**

- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.
- Create a diverse and inclusive learning college: develop institutional capacity to respond effectively and respectfully to students, staff, and community members of all cultures, languages, classes, races, genders, ethnic backgrounds, religions, sexual orientations, and abilities.

### **Learning Plan Goals**

- Facilitate more integrated and connected educational opportunities.
- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.
- Build capacity to teach curriculum addressing issues of race/class/gender/sexual orientation and other institutionalized systems of inequality.

### **Student Affairs Plan Goals**

- Create a Welcoming, Inclusive, and Responsive Environment.
- Enhance the Lane workforce to best promote student success.
- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.

### **College Council Priorities**

- 1.c. Enrollment Management: Workforce Development
- 4.1 Responding to unit plans/council plans: Innovation
- 5.3 Instructional Redesign: External Revenue Generation
