

All Medical Assisting Students participated in the state-wide Medical Office Assistants conference.

Strategic Direction

- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.

Learning Plan Goals

- Address the need for direct student support from faculty and staff as a crucial element of the learning environment
- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.

Student Affairs Plan Goals

- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.
- Develop and promote a seamless transition for students from Lane to four-year institutions of higher education, maximizing their chances for success and enhancing their personal, social, and academic growth.
- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.

College Council Priorities

- 1.c. Enrollment Management: Workforce Development
