Strategic Direction

- Promote professional growth and provide increased development opportunities for staff both within and outside the College.
- Build organizational capacity and systems to support student success and effective operations.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.
- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.

Learning Plan Goals

- Expand discipline-oriented faculty professional development, with care to include professional-technical faculty.
- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.
- Address the need for direct student support from faculty and staff as a crucial element of the learning environment

Student Affairs Plan Goals

- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.
- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.
- Ensure success-oriented systems and experiences.
