# Section III: Unit Planning Goals /Initiatives (by Division)

List 08/09 and 09/10 goals for the division as needed. Please note that you already have 08/09 planning goals/ data from last year, so bring forward as appropriate. Use data elements to inform goals.

Complete this table with faculty/staff input by October 31, 2008 to Anna Kate with a copy to your **Executive Dean.** 

LIST GOAL	ACTIVITIES	TIMELINE	BUDGET IMPACT
Clickers in the Classroom	Purchase a class set of clickers for classroom instruction feedback	The need is now but hope to have these for Fall 09	Asking for Tech fee to purchase these
Increase Diversity of Health Curriculum	Update past courses in Health Education such as Consumer Health, Death & Dying, Community Health and Holistic Health. Other topics to follow.	Work is currently being done on this with the possible start date of one course Spring 08. Future classes to follow over the next year of so.	Asking for Curriculum Development funding although some work is currently being done
Add different formatting to class offerings.	Weekend classes and more online offerings.	Currently doing this in winter 09 with a weekend class. Planning to offer another online topic fall 09.	Asking for curriculum development funds to develop online format for Consumer Health class.
Establish AAOT in Health Education	Collaborate with state 4 year colleges with curriculum requirements	Try to have this by 2010-2011	Need faculty release of one class to work on this project.
Develop First Responder First Aid Course	Develop and advanced first aid course that meets the needs of Health Professional in a clinical setting.	Needed for PTA program students Winter or Spring 2010	Asking for curriculum development funds to develop this course.
Fill one fulltime faculty position in Health Education	We have expanded Part- time Health faculty and still have difficulty filling the sections and those we are planning to add to meet the needs of the students.	ASAP	Additional cost to the college but not a 1.0 as we are currently covering these sections with part- time faculty.
Re-gain access to PE 132 (Dance Studio) to offer Yoga and Yogilaties sections.	These classes must restrict enrollment max do to the space we are currently using. We cannot offer classes in PE 203 when these classes have to be offered in PE 102 as the noise from above disrupt the learning environment.	ASAP	Increase of enrollment and FTE

Develop off campus sight for Tennis courses. Or contract out Tennis offerings.	Investigate usage of tennis facilities in town to keep this as a curriculum offering.	Work to be done spring term 2009	Reduction in FTE if this doesn't happen.
Develop new hire training manual and mentoring system for the division.	Develop division and college policies and procedures manual for new hires to prevent confusion and improve work.	Spring and Summer 2009	None
Develop budget for Whitewater Rafting course and decide whether it remains in division or is contracted out.	Determine feasibility of keeping White Water Rafting course as division offering 'vs' contracting it out to a local business.	Spring 2009	Savings to budget
Develop Exercise Science Testing Lab as a viable income generating resource for the college.	Market and establish policies/procedures to college students and community members.	In progress over the 2008-2009 year.	Increase in FTE and revenue generating with payment of testing completed by Lab Tech.
Update equipment and provide instructional support in the Fitness Training Program.	Purchase equipment and lab supplies to ensure that career technical students are receiving instruction at current industry standards. Continue to be able to hire Instructional Support Specialist to assist in enhancing the student learning process and continue to increase program accessibility to non-traditional students.	Planning will be conducted during the 2008-2009 academic year. Purchases will occur during the 2009- 2010 academic year.	Applying for Carl Perkins funding for this goal.
Fill one fulltime faculty position in Physical Education	We have expanded Part- time Physical Education and Fitness Training Program faculty and still have difficulty finding faculty to fill these courses and those we are planning to add to meet the needs of the students.	ASAP	Additional cost to the college but not a 1.0 as we are currently covering these sections with part- time faculty.
Conduct "Satisfaction Survey" of selected set of PE classes, starting with	Develop survey and a timeline for administering to PE team	Develop survey and scoring system during Winter '09. Administer	No budget impact.

Team sports classes.	sports students in a specific term. Plan will also set dates for future survey of dual and individual sports classes.	to team sports classes during Spring '09.	
Purchase and install	Research costs for net	Winter '09 do research,	Cost tba
safety net for archery	and installation. Plan date	with goal of installation	
range.	for installation.	Spring or Summer '09.	
Increase Employee Wellness Assistant Position from .35 to .49 FTE	Would increase the number of employee wellness offerings and the variety; would increase all aspects of program offerings	Staring in the Summer of 2009	Transfer funds within Wellness department and money will be saved as the need to hire outside instructors decreases
Continue to offer diverse	Offer two new	Currently doing this and	Should remain similar to this year's budget
Employee Wellness	classes/programs each	continue through the '09-	
activities each quarter	quarter	'10 academic year	

# Section IV: Initiatives - targeted use of the three available funding sources for 2009-10.

How could you use Carl Perkins, Student Technology Fee, Curriculum Development dollars towards initiatives that complete your planning goals (where appropriate). Prioritize by division.

This is a web-based submission and should be completed by January 30th, 2009. Anna Kate will supply instructions.

# **Timelines:**

ASA (Office of Academic and Student Affairs) will review the requests and provide feedback for the Perkins, Tech Fee and Curriculum Development Committees during the first two weeks in February 2009.

The Perkins, Tech Fee and Curriculum Development Committees will complete their work between February 16<sup>th</sup> ad March 16<sup>th</sup> 2009.
