

There was a 40% increase in College Now mathematics enrollment FTE from school years 2006/07 to 2007/08. This resulted from an increase in registrations of 274 while the number of course sections offered remained the same (at 35). There were enrollment increases in each of the math courses, but particularly in MTH 111 where enrollment went up by 156 students. The next greatest increases were in MTH 112 and MTH 251 with 59 and 55 additional enrollments, respectively.

Strategic Direction

- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.

Learning Plan Goals

- Facilitate more integrated and connected educational opportunities.
- Enhance student transitions at all levels.

Student Affairs Plan Goals

- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.

College Council Priorities

- 1.b. Enrollment Management: Recruitment and Retention
- 1.e. Enrollment Management: Increase Credit Enrollment Level
