

Provided new courses and learning opportunities for students. Ch 114 Forensic Chemistry, ENV5 184 Global Climate Change, CH 112S Supplemental Instruction for Biobonds, and CH 221S Supplemental Instruction for General Chemistry were offered. An online BI 231 was piloted for students in the active military, but enrollment was insufficient to offer the course. The Energy Management program gained approval for the Water Conservation Technician program. NEEI gained the rights to present the National Sustainable Building Advisor's Certification Program (NaSBAP) which will begin Fall 08 as a non-credit offering. Five new GIS modules were developed and implemented in six science sections as part of the NSF MAPS GIS project.

Strategic Direction

- Build organizational capacity and systems to support student success and effective operations.
- Achieve and sustain fiscal stability.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.
- Commit to a culture of assessment of programs, services and learning.
- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.

Learning Plan Goals

- Curriculum enhancement.
- Enhance student success and retention
- Increase support for innovation in instruction.

Student Affairs Plan Goals

- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.
- Ensure success-oriented systems and experiences.
- Develop policies and practices to increase student persistence.
- Commit to a culture of routinely assessing programs, services, and learning to encourage continuous quality improvement.

College Council Priorities

- 4.2 Responding to unit plans/council plans: Curriculum Development
- 1.e. Enrollment Management: Increase Credit Enrollment Level
- 1.c. Enrollment Management: Workforce Development
- 1.b. Enrollment Management: Recruitment and Retention
