

Developed a plan to increase departmental collaboration with Career and Employment Services to increase quality services for students, to be implemented during the 2008-09 academic year. Next steps/actions for the year include: collaboration on employment services such as workshops, late start classes, sharing the teaching of CIS and OLMIS; developing web links between CES and Workforce pages; increased mutual referral efforts, developing 1-2 credit "late-start" Career and Life Planning classes to take place in the Workforce area.

Strategic Direction

- Build organizational capacity and systems to support student success and effective operations.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.

Learning Plan Goals

- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.
- Facilitate more integrated and connected educational opportunities.
- Support connected learning through inter-disciplinary and collaborative learning strategies.

Student Affairs Plan Goals

- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.
- Develop policies and practices to increase student persistence.
