

Efforts to increase awareness of services provided by the department resulted in an increase in the number of students referred from other LCC departments, particularly Career and Employment Services and Enrollment Services, as well as "word-of-mouth" referrals from student participants in our program. Students were referred for information on how to access WIA scholarships, get assistance with resumes and job search, etc. Provided tours and presentations on available services to ESL groups, occupational skills/co-op classes, etc.
