

Bus/CIT 2008-09

Accomplishment Description:

College Now and High School Outreach

Both departments continued to develop and expand College Now offerings both as a service to area high school students and as a recruitment tool. Business is now articulating BA101 Introduction to Business with several high schools.

Strategic Direction

- Commit to a culture of assessment of programs, services and learning.

Learning Plan Goals

- Facilitate more integrated and connected educational opportunities.
- Enhance student transitions at all levels.

Student Affairs Plan Goals

- Strengthen relationships with high schools, transfer institutions, community partners, and employers to enhance the student's preparation for and success in college, career, civic engagement, and community involvement.

College Council Priorities

- 1.a. Enrollment Management: K-12
