Bus/CIT 2008-09

Accomplishment Description:

Computer Programming Degree

The CIT department revised the Computer Programming Degree for accepting new students starting Fall 2009. This was driven in part by the huge demand of Trade Act students who need a computer technical alternative to existing CIT programs. This decision was made with much input from the CIT Advisory Committee.

Strategic Direction

- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.

Learning Plan Goals

- Create innovative, flexible and collaborative programs that are responsive to current and emerging needs of students and employers.
