### **Description**

Process has been implemented for the creation of an on-line Safety and Sanitation CA 175 course in which Carl Perkins funds were allocated for in 2009. The demand for this course has increased because of the high enrollment in both instructional programs and the current Career Pathways Certificates. Developing this course for an online application will enable us to offer this course in multiple terms increasing availability and flexibility to our students and students needing this requirement in other disciplines.
