

Coop Ed 2010-11

Apprenticeship Classroom Improvement

Summary:

Initiative #11

Enhance instructional delivery of new credit Apprenticeship course by dedicating classroom, lab and storage space in Building 10 contingent upon LCC Bond passage.

Description

Collaborate with Facilities project manager for instructional space design during remodel of Building 10.

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

- 1. How does it continue the achievement of those goals?**
- 2. If this is a continuation of an initiative started last year, make sure that relationship is clear.**

How is this initiative linked to the efficiencies and productivities plans you had last year?

- 1. How does it continue the achievement of these plans?**
- 2. If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.**

Appropriate classroom space for Apprenticeship has been a goal of the division for over 10 years. The designation of classroom space in Building 10 is a positive outgrowth of many years of demonstrated need.

Describe the resources needed:

Bond funds.

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

In 2009-10, five students will have completed the new AAS Apprenticeship degree. Currently over 150 students have declared one of the Apprenticeship pathways as their major. Given the

very large increase in declared majors it is expected that within the next several years the number of students earning certificates and degrees will greatly increase.

Department Priority:

11

Unit Resources:

Staff time will be devoted to this initiative from the unit.
