Hands-on Career Day for High School Students

Summary:

Initiative #7
Improve high school students' understanding of Lane offerings to recruit students to Lane with goal of increasing enrollment of high school students in Career-Technical programs

Description

Provide hands-on career day for high school students to further explore learning opportunities available at Lane with a technical career focus.

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

1. **How does it continue the achievement of those goals?**
2. **If this is a continuation of an initiative started last year, make sure that relationship is clear.**

How is this initiative linked to the efficiencies and productivities plans you had last year?

1. **How does it continue the achievement of these plans?**
2. **If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.**

High school connections and enrollment management (attracting new students) are both College Council priorities. This initiative directly supports these directions. This initiative is a continuation of an established successful activity that recruits high school students to Lane and is part of the unit goals recently submitted.

Describe the resources needed:

$4,000 for Center for Meeting and Learning room rental, food, materials and supplies from Carl Perkins

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

257 students and 26 adult chaperones attended Lane's Hands-on Career Day last year, April 2009. All attendees evaluated the event and, on a 1-5 scale, students rated the event at 4.86. It is expected that a similar number of individuals will attend this year and next year.

Funding Request: Carl Perkins

Is this a Career & Technical Education program approved by the state and offered through Lane for credit?

Yes

If not a Career & Technical Education program, does your request provide considerable support for students enrolled in these programs?

Yes

Do you have an advisory committee that meets 2-3 times per year?

Yes

If request is for personnel, will funds be used to replace an existing position?

no

How will funding this initiative increase or sustain the academic achievement and technical skills attainment (GPA of 2.0 or better) of Career and Technical Education students?

This initiative encourages students to enroll in career technical certificate and degree programs that result in technical skills attainment.

How will funding this initiative increase or sustain the number of CTE students that graduate or receive a one year certificate from Lane and help prepare the students for employment?

As a recruitment activity this initiative is not targeted toward helping CTE students graduate or gain certification. It is intended to encourage them to attend Lane in career technical areas of study.
