Help with Paramedic National Accreditation self study

Summary:

National accreditation self study for our Paramedic program is due Sept 2010. We need help in writing self study.

Description

We are applying for National accreditation for our Paramedic program for the first time. Without this accreditation, we close the paramedic program. To write the self study would take approximately 200 hours. We are requesting a consultant or part time hours to write this self study.

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

- 1. How does it continue the achievement of those goals?**
- 2. If this is a continuation of an initiative started last year, make sure that relationship is clear.**

How is this initiative linked to the efficiencies and productivities plans you had last year?

- 1. How does it continue the achievement of these plans?**
- 2. If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.**

This is not linked to the previous year

Describe the resources needed:

200 Hours x
 $29.15 = \$5,830.00 + 1871 (\text{overtime}) = \$7,701$

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

1. To produce an excellent self study to support our application for national accreditation for our Paramedic program through CoAEMSP (Committee on Accreditation of Educational Programs for Emergency Medical Services)

Is this a Career & Technical Education program approved by the state and offered through Lane for credit?

Yes

If not a Career & Technical Education program, does your request provide considerable support for students enrolled in these programs?

No

Do you have an advisory committee that meets 2-3 times per year?

Yes

If request is for personnel, will funds be used to replace an existing position?

no

How will funding this initiative increase or sustain the academic achievement and technical skills attainment (GPA of 2.0 or better) of Career and Technical Education students?

This self study must be written to apply for national accreditation for our paramedic program. Without national accreditation, we no longer have a paramedic program and we do not serve the needs of our community.

How will funding this initiative increase or sustain the number of CTE students that graduate or receive a one year certificate from Lane and help prepare the students for employment?

This self study must be written to apply for national accreditation for our paramedic program. Without national accreditation, we no longer have a paramedic program and we do not serve the needs of our community.

This will sustain our ability to train students in Paramedic
