

Adv Tech 2009-10

Accomplishment Description:

Electronic Technology Accomplishments:

- Hired full time contracted faculty in Electronic Technology. This greatly benefits the program by more “ownership” and consistency in the ET program.
- Electronics on-line hybrid classes developed, offered and full ET-1, ET-2, Dig 1.
- New computers were purchased and installed in the main electronics lab.
- Program purchased new “state of the art” PLC’s and training program for the students.
- Ethernet access has been installed in the main lab.
- Lab updates with new power supplies, generators and bench meters.

Strategic Direction

- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.
- Create, enhance, and maintain inviting and welcoming facilities that are safe, accessible, functional, well-equipped, aesthetically appealing and environmentally sound.
- Build organizational capacity and systems to support student success and effective operations.

Learning Plan Goals

- Curriculum enhancement.
- Facilities enhancement.
- Facilitate more integrated and connected educational opportunities.

Student Affairs Plan Goals

- Create a Welcoming, Inclusive, and Responsive Environment.
- Enhance the Lane workforce to best promote student success.
- Create innovative, flexible, and collaborative programs that are responsive to the needs of students and employers and facilitate a smooth transition from college to the workplace.

College Council Priorities

- 1.c. Enrollment Management: Workforce Development
- 3. Efficiencies
- 5.2 Instructional Redesign: Leveraging Technology
