

Accomplishment Description:

Center Lane Internal Outreach/Partnerships

The Center has added a cooperative education experience for students from other departments, such as Graphic Arts, to work various positions in administration and sales/marketing. This cooperative education experience proved very successful this year as Graphic Arts students gave attention to the Center's branding for professional consistency. The Center's branding has now been streamlined on all marketing materials - from hand-drawn Center-imaged gift certificates and seasonal menus to notepads and staff business cards, the Center's branding now has notable "customer touch" visibility on campus and in the community.
