# Disability Resources 2011-12
## Technology-Related Accommodations

## Summary:

Technology-Related Accommodations

## Description

This funding request will help DR to serve students with disabilities appropriate accommodations through the purchase of new technology and updates to current technology.

## Questions and Answers

**How is the initiative linked to the Unit Plans most recently submitted?**

1. **How does it continue the achievement of those goals?**
2. **If this is a continuation of an initiative started last year, make sure that relationship is clear.**

**How is this initiative linked to the efficiencies and productivities plans you had last year?**

1. **How does it continue the achievement of these plans?**
2. **If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.**

How does it continue the achievement of those goals

- These ongoing and additional needs are identified as part of the DR Unit plan goal to provide ongoing support and accommodations for Lanes students with disabilities.

If this is a continuation of an initiative started last year, make sure that the relationship is clear.

- This initiative is related to ongoing needs and goals in serving students with disabilities at Lane

How does it continue the achievement of these plans?

- These ongoing and additional needs are linked to the DR departments ongoing efficiencies and productivity in serving students with disabilities

If this is a continuation of an efficiency or productivity plan started last year, make sure that the relationship is clear.

5 Logitech Webcam C260 $205

1 Scanner $400

Total $149700

**What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.**

This initiative will allow DR to:

- **serve students with disabilities efficiently and effectively (measured with satisfaction surveys, tracking of problems/complaints)**
- **provide appropriate accommodations that will assist students in having access to the learning environment (measured by # and type of requests with timely response and type of accommodations)**
- **promote the success of students with disabilities at Lane (measured by graduation rates, anecdotal surveys of attainment of educational goals)**
- **assist the college in maintaining legal compliance (measured by tracking legal compliance complaints and issues of concern)**

**Department Priority:**

2

**Unit Resources:**

Disability Resources fully devotes its staff time, energy and resources to the goals and achievements of this initiative. The General Fund and a limited amount of Carl Perkins funds cover the remaining costs needed to provide accommodation support.

## Funding Request: Carl Perkins

## Funding Request: Curriculum Development

## Funding Request: Technology Fee
