FA: Review and re-evaluation of credit limit tracking

Summary:

In conjunction with the new satisfactory academic progress requirements, a way to incorporate a pace measurement to track that students complete their program within the maximum federal aid timeframe is necessary.

Description

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

1. How does it continue the achievement of those goals?
2. If this is a continuation of an initiative started last year, make sure that relationship is clear.

How is this initiative linked to the efficiencies and productivities plans you had last year?

1. How does it continue the achievement of these plans?
2. If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.

No previous link to prior year initiatives.

Describe the resources needed:

Need resources is the time necessary to review and revise policy as required.

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

Measurable outcome would be a reduction in the number of credit limit appeals that must be reviewed.

Department Priority:

high

Unit Resources:

Resource needed would be protected time to focus on new policy development. It will come at the expense of other priorities.
