Enroll & Std Fin Svcs 2011-12
FAFSA Workshops

Summary:

Further develop the offering of FAFSA workshops. We have begun offering workshops as a pilot program this year and were able to assist over 100 students file a FAFSA.

Description

Using the SARS system and the Lane website, we will promote a FAFSA workshop that will be offered six times during January of 2012. During the remainder of the school year these workshops will be offered monthly and bimonthly based off enrollment predictors and need.

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

1. **How does it continue the achievement of those goals?**
2. **If this is a continuation of an initiative started last year, make sure that relationship is clear.**

How is this initiative linked to the efficiencies and productivities plans you had last year?

1. **How does it continue the achievement of these plans?**
2. **If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.**

Describe the resources needed:

Computer Lab reservation= no cost

Staffing= Adjusted hours for staff to work later on Fridays

Supplies: ~$100 in printing needs

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

Expect to assist over 500 students throughout the year. All tracking will be controlled thru the online registrations system SARS

Department Priority:

2

Unit Resources:

Materials and Staffing will come from department budget
