SARS Check-in Expansion

Summary:

Explore capacity of SARS check-in system, establish a better method of connecting with students and meeting ADA accessibility needs

Description

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

1. How does it continue the achievement of those goals?
2. If this is a continuation of an initiative started last year, make sure that relationship is clear.

How is this initiative linked to the efficiencies and productivities plans you had last year?

1. How does it continue the achievement of these plans?
2. If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.

Further Enhances our current check-in station to improve student use efficiencies.

Describe the resources needed:

We are scheduling a Webinar with SARS and will conclude with suggestions for improvement, no expense has been evaluated at this point.

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

Further streamline the SARS check-in system to create better reporting as well. The goal is to create a uniform system that enhances the student experience.

Department Priority:

4
