

## HPEA 2009-10

### Accomplishment Description:

Received over \$30,000 in grant funds from the Carl Perkins Grant used for Instructional Assistants for the EMSP to provide tutoring in the program's core courses, supervision during cooperative education work, individualized instruction on equipment and software, and additional learning opportunities for all students.

### Strategic Direction

- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
- Create, enhance, and maintain inviting and welcoming facilities that are safe, accessible, functional, well-equipped, aesthetically appealing and environmentally sound.
