

HPEA 2009-10

Accomplishment Description:

2009-10 Goal- For the “Undress the Stress Program”, get 200 participants: We had 245 people participate in our Undress the Stress program. We also had another 25 people, although not officially signed up, attend seminars.

Strategic Direction

- Promote professional growth and provide increased development opportunities for staff both within and outside the College.
- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
