# IT 2009-10

## Accomplishment Description:

### Network Infrastructure Upgrades for ICL supported Labs

The technology fee funding for this initiative allowed IT staff to upgrade and expand the server cluster systems that support all the software utilitzed in all 59 of the ICL supported labs and classrooms at all Lane campus locations.  This funding provided network server hardware, additional hard drives to expand netstorage, and maintenance service contracts to maintain 24x7 network support services for Lane's students.
