

Library 2011-12

Online Library Resources: Databases

Summary:

Maintain support for library online resources for general education, online learning, and career and technical programs.

Description

Providing online information resources for students is a major library goal. It is our ongoing objective to make the best use of the library's budget, and to optimize access to library resources. Accordingly, the Library continues to select and monitor its electronic holdings to provide access to students anytime, anywhere.

Providing online aggregated databases is an extremely efficient and effective way to give access to a wealth of information. A database of e-books, for example, requires no weeding, selection, or circulation processing of individual items. Use of online library resources increased by 200% last year, and online resources are becoming the backbone of all academic libraries.

This funding initiative includes provision of access to online instructional support resources such as:

- Online reference sources and general periodical databases
- Online resources for Career and Technical Education students, including Automotive Reference Center, CINAHL, Nursing Journals and Nursing Reference Center, Construction Technology, Dental Hygiene and Dental Assisting, Adult Development and Aging, Computer Information Technology, and more.
- Online library resources for General Education, faculty and staff. Databases include Academic Search Premier, SIRS Knowledge Base, Opposing Viewpoints, Register Guard online, African American Experience, Literature Resource Center, and many more.
- E-book collection that supports both CTE and Liberal Education programs.

Questions and Answers

How is the initiative linked to the Unit Plans most recently submitted?

1. How does it continue the achievement of those goals?
2. If this is a continuation of an initiative started last year, make sure that relationship is clear.

How is this initiative linked to the efficiencies and productivities plans you had last year?

1. How does it continue the achievement of these plans?
2. If this is a continuation of an efficiency or productivity plan started last year, make sure that relationship is clear.

This initiative continues the achievement of previous unit plans by selecting library resources that support:

- general education curriculum
- career and technical programs
- online learning

Describe the resources needed:

To serve all Lane students, we need to continue our periodical and reference database subscriptions at the current level, with an increase to allow for price hikes and a higher FTE level. We are now in a higher price bracket for database subscriptions.

Tech Fee Request

Resources for all Lane students: \$59,000

The following list includes current subscriptions to services and content. Products may change as their use and cost are re-assessed.

Database	Cost
Alexander Street Press - Dance, Theater, Scores	\$2,837
Alternative Press Watch	\$2,005
American Mosaic	\$1,519
Britannica Online	\$815
Chronicle of Higher Education	\$840
CollegeSource Online	\$832
Credo Reference	\$2,310
EBSCO Suite	\$8,454
Gale Virtual Reference annual hosting fee	250
History Resource Center - U.S.	\$1,406
History Resource Center - World	\$1,406
Library Literature Full Text	\$382
Literature Resource Center	\$5,467
Springshare LLC (Lib Guides)	\$1,098
NYTimes Online & Eugene Register Guard	\$4,130
NoodleTools (NoodleBib)	\$360
Oxford Digital Reference Shelf	\$354
Serials Solutions - 360Search. Includes core/magazine locator)	\$8,100
SIRS/Net Select	\$1,423
CQResearcher Online	\$704
Learning Express	\$3,292
LexisNexis Academic Universe (as of 7/07)	\$2,508
NYTimes and Register Guard Online	\$4,130
Oxford Reference Online Premium	\$1,010
PsycArticles	\$2,245
*Syndetics Solutions (Book Jackets)	\$1,061
Database totals	\$58,938

Perkins Fund Request

Resources for Career and Technical Students: \$34,000

The following list may change as product use and price is re-assessed.

Database	Cost
AccessScience	460
Auto Repair Reference Center	2,852
CINAHL with Full Text	3,528
Environment Complete	5,371
Nursing Reference Center	3,035
Science Direct Health and Life Sciences Journals	2,454
Ebrary Community College Collection*	2,500
Safari Books Online**	3,300
Science Resource Center	4,400
Ovid Nursing Collection	6,000
Database total	33,900

***Ebrary Community College Collection** provides 23,000 monographs that support career and technical programs such as nursing and allied health, emergency medicine, computer tech, law enforcement, and many other vocational areas.

****Safari Books Online** is a specially tailored subset of 50 titles from the Safari Basic Premium Library. This eBook collection focuses on computer networking, programming, web development, and more.

What specific measurable program outcomes do you expect to achieve with this initiative? The outcomes should be specific enough to be measurable. Also, outline the method that will be used to determine the results.

- 5% Increase in use of databases over FY 09-10.
- Adoption of online resources in traditional, hybrid, and online courses
- Instruction in the use of online resources: number of students in the library classroom

Methods

- Statistical reports generated by library system
- Circulation statistics

Department Priority:

1

Unit Resources:

Significant faculty and staff work time is required to make online resources usable.

- Select, order, and catalog non-print materials that support online learning and career and technical programs at Lane
- Select, manage, develop instruction manuals for, present instruction for, and market online resources
- Set up online access and user interface on Library web page

Funding Request: Carl Perkins

Is this a Career & Technical Education program approved by the state and offered through Lane for credit?

No

If not a Career & Technical Education program, does your request provide considerable support for students enrolled in these programs?

Yes

Do you have an advisory committee that meets 2-3 times per year?

Yes

If request is for personnel, will funds be used to replace an existing position?

How will funding this initiative increase or sustain the academic achievement and technical skills attainment (GPA of 2.0 or better) of Career and Technical Education students?

Access to online information is at the core of many workplaces that career and technical students seek. Proficiency finding high-quality information is key in these fields, and we must provide that content as a component of a vibrant, accredited learning environment.

How will funding this initiative increase or sustain the number of CTE students that graduate or receive a one year certificate from Lane and help prepare the students for employment?

Without online databases in their fields, students cannot complete course work or otherwise prepare for employment.

Funding Request: Technology Fee

1. Category of request

- **Maintain existing technology**
- **Increase student access to technology**
- **New technology**

Please type in the category of the request in the field below.

Maintain existing technology

2. Campus location

- **Main Campus**
- **Downtown Center**
- **Florence**
- **Cottage Grove**
- **CLC (list specific locations)**

Please type in the location of the request in the field below.

Online environment: All locations

3. Names of the person(s) with more information (if needed):

Marika Pineda

4a. Budget ORGN

525001

4b. Budget PROG

21000

5. How many students will benefit per year?

All Lane students could benefit every year.

6. Describe the benefit?

Providing online databases is a core piece of the Library's collection and forms the backbone of high-quality information access at Lane.
