

Math 2009-10

Accomplishment Description:

Hybrid Course Pilots approved and set for 2010/11 – Berri Hsiao and Ben Hill acquired division approval to pilot sections of MTH 095 and MTH 111 in 2010/11. Discussion of contact hours, methods of delivering content (including MathXL), and the logistics of testing took place as part of the planning. Many division instructors also took part in a discussion of the division vision for alternative delivery of developmental math courses. Ben provided history and context for this Spring Term 2010 in-service discussion.

Strategic Direction

- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
- Build organizational capacity and systems to support student success and effective operations.

Learning Plan Goals

- Increase support for innovation in instruction.
- Facilitate more integrated and connected educational opportunities.
- Commit additional resources to the creation, development, and implementation of distance learning courses and degree programs.

Student Affairs Plan Goals

- Ensure success-oriented systems and experiences.

College Council Priorities

- 1.b. Enrollment Management: Recruitment and Retention
- 5.2 Instructional Redesign: Leveraging Technology
