

## Social Science 2009-10

### Accomplishment Description:

In its first year, the two-year GEOSTAC, NSF grant extended the GIS program into the community through developing GIS skills among high school instructors and infusing GIS into high school curriculum. A number of specialized GIS workshops were also developed and offered to students and the community.

### Strategic Direction

- Foster the personal, professional, and intellectual growth of learners by providing exemplary and innovative teaching and learning experiences and student support services.
- Position Lane as a vital community partner by empowering a learning workforce in a changing economy.
- Create a diverse and inclusive learning college: develop institutional capacity to respond effectively and respectfully to students, staff, and community members of all cultures, languages, classes, races, genders, ethnic backgrounds, religions, sexual orientations, and abilities.
- Achieve and sustain fiscal stability.
- Build organizational capacity and systems to support student success and effective operations.
- Promote professional growth and provide increased development opportunities for staff both within and outside the College.

### Learning Plan Goals

- Increase support for innovation in instruction.
- Enhance student success and retention
- Curriculum enhancement.

### Student Affairs Plan Goals

- Enhance Recruitment Efforts.
- Enhance the Lane workforce to best promote student success.
- Ensure success-oriented systems and experiences.

### College Council Priorities

- 1.b. Enrollment Management: Recruitment and Retention
- 1.e. Enrollment Management: Increase Credit Enrollment Level
- 1.f. Enrollment Management: Partnerships with 4-year Colleges and Universities
