

Social Science 2009-10

Accomplishment Description:

The Social Science Assessment Team successfully participated for a third year in the college-wide General Education Assessment Project. Their participation included facilitating and reviewing a variety of college-wide division projects, supporting and mentoring the principles for those projects, and producing the final synthesis of those projects.

Strategic Direction

- Commit to a culture of assessment of programs, services and learning.
- Build organizational capacity and systems to support student success and effective operations.
- Promote professional growth and provide increased development opportunities for staff both within and outside the College.

Learning Plan Goals

- Enhance student success and retention
- Develop and encourage appropriate assessments to ensure preparedness

Student Affairs Plan Goals

- Commit to a culture of routinely assessing programs, services, and learning to encourage continuous quality improvement.
- Provide assessment-based services and programs.

College Council Priorities

- 2. Mandates: Assessment
