Green Jobs Focus. All SGA target the 7 green jobs sectors identified under the Green Jobs Act (§171(e) of the Workforce Investment Act)

- Energy-efficient building, construction, and retrofit industries
- Renewable electric power industry
- Energy efficient and advanced train vehicle industry
- Biofuels industry
- Deconstruction and materials use industry
- Energy efficiency assessment industry serving residential, commercial, or industrial sectors
- Manufacturers that produce sustainable products using environmentally sustainable processes and materials.
