Jonathan Sprinkles

Race & Beyond: The Power of Purpose

Dr. Maura Cullen

Upon graduation, you will face the most competitive and diverse workforce that has ever existed. What will give you the edge in the future and help you become an agent of change in the present? What will set you apart from other graduates? This award-winning session gets beyond our fear of saying the "wrong" thing and teaches more effective and compassionate ways to connect that are vital to your success.

Living With Passion

Marlon Smith

What type of leader are you? What are you doing to make a difference in your community? If you were granted one wish, what would your wish be? Our global society needs you. That's right, I'm talking about you! In this session, you will learn specific strategies for making the most of your life as a true leader.

The Power of Personal Decisions

Andrea Mosby-Jones

Andrea offers a warm, funny, motivational program that reminds you of the importance of thoughtful decisions in your life. College students are faced with tough choices on a regular basis. With so many options today, you need to have the confidence to make good decisions that will lead you on a path to success. Using the acronym DECISIONS, Andrea walks you through the factors you must consider when making important personal choices.

This conference is exactly what all young leaders need to push themselves and inspire themselves to continue and advance in their leaderships skills.

~ Jennifer, Lonestar College-North Harris

I loved the keynote presentations and the workshops. They gave me the opportunity to learn many new things that I could use not only in my self-development on becoming a better leader, but also in teaching others to do likewise.

~ Javed, Reed College

Your chance to boast about your best program!

NCSL wants to know about them! Participate in the NCSL **Trendsetters! program**, a contest to highlight the best programs, events, and ideas from campuses across the country. Visit www.ncslcollege.com for more Trendsetters! details.

Advisor Attends Free!

This fall we are offering a special bonus. If you register nine or more students, your advisor (or a professional staff member) can attend for free! Yes, free! NCSL understands the integral role advisors play in student leadership success and we want to show our appreciation!

School Pride Day

Show off your school spirit during the conference by wearing school or organization logo apparel on Sunday, October 26, and Sunday, November 23.

Bring your own business cards to stay in contact with people after the conference! Visit www.ncslcollege.com for more details!

Silent Auction

At every conference, NCSL hosts a silent auction to benefit a nonprofit organization. NCSL has selected City Year to be the recipient of the money raised through the silent auctions that will be held at our two fall conferences this year. We need your help! Does your school have any cool gear or logowear? We're looking for anything from school sweatshirts to hats to portfolios (and everything in between)!
