SOLV Beach Clean-up!

Siltcoos Outlet – Florence, Oregon on March 20, 2010

We are conducting the semi-annual beach cleanup in association with SOLV - "Stop Oregon Litter and Vandalism." Regional officers will be providing the food for the group on all three days. Please sign up in the regional office **by March 12th** to give an accurate count for meals. Bring your own drinks and snacks.

Members can choose to come just for the day on Saturday for the cleanup or plan to reserve a room and participate in the regional retreat on Friday and Sunday. The chapter has requested a block of rooms that members can ask for when they make their arrangements. You must mention that you are with Phi Theta Kappa when you register to get the discount.

Eugene Boat and Sportsmen's Show

Regretfully, we were so busy at the fairgrounds, I have no idea how many children were entertained by the fishing pond. The chapter utilized every officer, active team leader, and many of the members as volunteers. We had our Alumni Treasurer at the cash box. The previous international VP's son, Dale Lauzon, showed the kids some tips on fly fishing.

Spring Elections! Applications due by April 5th

When we return after spring break, the chapter will be accepting applications beginning on March 29th for elected officer positions. The speeches will be delivered on April 5th and the election will take place on April 12th. The officers who are incumbents will have to campaign for positions just like everyone else. At this election, we will advance our President Elect into her position of President. The positions are

Regional Art and Literary Award Entries

Visit the regional Website for the forms to enter your artwork to be selected by the end of winter term as the entry from Sigma Zeta chapter. The focus of the piece needs to somehow be related to the honors study topic. "The Paradox of Affluence: Choices, Challenges, and Consequences." The first meeting of spring term will be the day we select the pieces to represent this chapter. March 29th, 2010.

30th Avenue Adopt-A-Road Cleanup

On February 15th there was a campus holiday and a service project hosted by the chapter. At 9:00 a.m. 22 people gathered in lot N to fan out and gather 35 bags of litter. This was a record breaking event for Phi Theta Kappa. This was the largest crew to date for this event, and 35 bags of trash is our new record as well.

Establishment of the "Comm. Comm." team

Beginning this month, the executive officers and active team leaders will be making connections all over campus. We plan to talk to each department, student group, club, and association here at Lane. "Comm. Comm." stands for the Communication Committee, our mission will be to develop contacts and connections for the chapter.

The first item we plan to develop is our own new member orientation packet, please forward us your suggestions. We will then be working on the student directory of departments and resources, followed by a manual for student groups to assist in the planning and organization of events on campus.
